**STATEMENT FROM RESPONSIBLE GROWTH FOR NORTHCROSS
REGARDING RULING ON ALLANDALE NEIGHBORHOOD
ASSOCIATION'S (ANA) MOTION FOR SUMMARY JUDGMENT**

The ruling on ANA's motion does not affect a claim RG4N made about the proposed garden center nor does it affect RG4N's other three claims. We remain confident that we have a winning case. We expect a huge turnout at Feisty Fest this Sunday afternoon at The Triangle as our supporters from all over Austin send a message to the City that "business as usual" is not acceptable anymore.

It is still not a done deal.
