

Responsible Growth for Northcross
DO IT NEIGHBORLY. DO IT RIGHT.

If you're still howling
mad about a Wal-Mart
Supercenter at
Northcross,
then let's go for a walk.

Paws Around Northcross Sat., March 1. At 10 AM.

Last year, we called on thousands of you to join us for Arms Around Northcross and form a one mile human circle around Northcross Mall. We did it! And it ignited -- and united -- a neighborhood spirit throughout Austin to stop the Wal-Mart Supercenter.

Let's stand together again! And this time, bring along 1000 of your furry friends. No dog? Come join the fun anyway!

RG4N is calling on 1000 dogs and their owners to come take a walk around Northcross Mall. Join your friends and neighbors and once again send a powerful message to Lincoln Property Co. Wal-Mart and the Austin City Council that we will never back down.

Leash up the pups and let's show those Fat Cats at Wal-Mart and Lincoln that we're still doggone mad about their Supercenter at Northcross Mall, and we're not lying down!
