

RG4N

Citizens united to stop Dallas-based Lincoln Property Company's planned redevelopment of Northcross Mall, which includes a Wal-Mart Supercenter.

WHO WE ARE:

We are your friends, neighbors and citizens living in the Allandale, Brentwood, Crestview, North Shoal Creek, Rosedale and Wooten neighborhoods.
(But you can live anywhere in Austin and unite with us!).

OUR MISSION:

We oppose the character of the Northcross Mall redevelopment plan put forth by Lincoln Property Company, which includes a Wal-Mart Supercenter. And we seek community involvement in planning Northcross Mall's redevelopment.

The planned redevelopment is inconsistent with the City's Vision and Values, and not the kind of growth most of our neighbors and local small businesses support.

Responsible Growth for Northcross is working toward establishing a partnership with Lincoln Property Company to develop a mutually beneficial, growth-oriented solution for Northcross Mall that serves the character and needs of the surrounding neighborhoods while also ensuring a successful business endeavor for Lincoln Property Company.

We continue to call upon the Austin City Council to revoke the illegally-approved site plan for Northcross Mall. We also call for a true 60-day moratorium to help foster meaningful dialogue.

WHAT YOU CAN DO:

Call upon the City of Austin to join with us and support a site plan that's better for neighborhoods and local businesses:

We agree that Northcross Mall needs to be redeveloped. We welcome growth, but not to the detriment of our neighborhoods. Develop it neighborly. Develop it right.
