

RG4N Vision:

Responsible Growth for Northcross embraces sustainable redevelopment of the Northcross area that considers long-range environmental and neighborhood impact, embodies transit-oriented and pedestrian-friendly land use, and includes mixed-use development with community focus.

RG4N Mission:

To ensure Northcross Mall is redeveloped in compliance with the City's Vertical Mixed-Use guidelines without a Wal-Mart Supercenter, and in a way that enhances quality of life for the surrounding neighborhoods.
